DETAILED ACTION

Examiner's Statement of Reasons for Allowance

1. Claims 1-20 are allowed. The following is an examiner's statement of reasons for allowance: Independent claim 1 teaches an arc chamber filament comprising a pair of parallel segments each carrying at least one winding filament, and a bridge segment connecting the units.
2. The prior art fails to teach or reasonably suggest the filament winding construction of claim 1. Independent claims 1, 9 and 17 all incorporate this limitation and are therefore allowed. Claims 2-8, 10-16 and 18-20 are allowed due to their proper dependence upon and further limiting of their respective independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
